ABOUT ME

Versatile and results-oriented Software Engineer and SEO Expert with a passion for harnessing technology to drive digital excellence. Adept at developing robust software solutions and implementing strategic SEO practices to enhance online visibility. Recently completed an intensive Python and Data Science bootcamp.

EDUCATION

- **HAZARA UNIVERSITY (2019-2023)**

I proudly hold a Bachelor's degree in Software Engineering with a distinguished **3.7 CGPA**, showcasing my commitment to academic excellence. This accomplishment underscores my dedication to mastering software engineering principles and positions me as a capable professional in the field.

- **SUDHUM SCIENCE COLLEGE (2017-2019)**

I have successfully completed my Higher Secondary Education with a focus on pre-engineering, achieving an outstanding **80%** marks

EXPERIENCE

- **NetTech Pvt Ltd Isb**

I interned for 6 months at NetTech Pvt Ltd in Islamabad, gaining hands-on experience in SEO. I contributed to optimizing online content, executing successful SEO strategies, and enhancing digital presence. This sharpened my skills in keyword research, content optimization, and data analytics.

- **MOIT & MetaPi Isb**

Completed a 4-month Data Science bootcamp organized by MetaPi in collaboration with MOIT. Gained expertise in data analysis, machine learning, and statistical modeling using Python, enhancing my ability to extract actionable insights from diverse datasets
