## OBJECTIVE

To lead the organization being a part of top management team of organization to explore my true potential by integrating my practical and academic knowledge with professional environment.

---

## SKILLS

Asp.Net, .NetCore, c#, MySql, SqlServer, AJAX, JQuery, HTML, CSS, Bootstrap, EntityFramework, Restful APIs

---

## VOLUNTEER EXPERIENCE

Volunteered to work as a team leader for ALMS charity organization during my semesters to raise funds for underdeveloped areas.

---

## EXPERIENCE

---

### WEB DEVELOPER / CENTANGLE INTERACTIVE

January 1<sup>st</sup>, 2020 - present

Currently working as .net developer and built some web applications. Also working on learning new skills i.e., react js and some other frontend languages to achieve full stack development skills.

### INTERNEE / EMMZEE SOLUTIONS

June 1<sup>st</sup> 2018 – July 31<sup>st</sup> 2018

Did internship at EmmZee solutions during 2 months semester break.

---

## EDUCATION

---

### BS IN SOFTWARE ENGINEERING / 2019

International Islamic University Islamabad.

1<sup>st</sup> division/ 3.09 cgpa.

For final year project, I proposed to build an online web and android-based permission system for my university hostilities in order to provide girls with an easy access to request for outgoing permission by adding details of arrival date, departure date and time, visiting place and reason for visiting in a computerized system.

---
